PROJECT DETAILS

Project Name: ECOWAS MARTIN AI System

Description: Development and implementation of Martin, a sovereign multi-agent AI system serving as the digital nervous system for the 2026 ECOWAS Economic Integration & Investment Summit. The system automates coordination, scheduling, document drafting, and deliverables across 6 Technical Working Groups, ensuring alignment with summit pillars and objectives.

INVOICE BREAKDOWN

Description	Quantity	Unit Price	Amount
ECOWAS MARTIN AI System Development - 40% Deposit	1.40	\$2,000.00	\$800.00

INVOICE SUMMARY

Deposit Amount Due: \$800.00
